Dear Mr Newman

On November 13-16, 1986 the Professional Currency Dealers Association (PCDA), along with the International Bank Note Society (IBNS), are hosting an International Paper Money Convention in St. Louis, MO. This major convention will be held in conjunction with the Silver Dollar Convention, underneath the same roof, but in completely separate rooms.

The SPMC would be honored and priveledged to have your as its guest speaker for a regional meeting to be held on Saturday Nov. 15, 1986. If we are fortunate enough to obtain your as our guest speaker, you could pick any "Paper" topic of your choice.

Hoping to hear from you shortly, Numismatically Yours,

PS Let me know if you will need a slide projector?

Dear Mr. Wilson:

You were very nice to ask me to speak to the regional meeting of SPMC on November 15, 1986. I have spoken before to the national meeting, but have never spoken to a regional meeting. I shall be very glad to cooperate.

If something comes up in which I have to be elsewhere, I will substitute Gene Hessler if that is satisfactory.

I would like to know how many people attend this meeting and presume the topic should be an American topic even though IBNS is hosting part of the convention. If you have any subjects which you think will be of particular interest, please feel free to suggest them as there are always a number of items which I can speak on. I will probably need a projector, etc..

With best wishes.

Sincerely,

Eric P. Newman

Dear Mr Newman

on behalf of the SPMC I want to thank you for accepting the speakers job for the PCDA/IBNS Int'l Paper Money Convention in St. Louis, MO. on Nov. 13th - 16th, 1986. You will be speaking at the SPMC Regional Meeting on Nov. 15, 1986 at 11:00 AM. We would be honored to have you pick your own topic, but I can never recall hearing anyone talk on "Counterfeit Detectors." A talk/slide program on this subject would be fantastic, but as I already said, you can pick any subject you want. Please let me know, at your earliest convenience, the title of the topic you will be talking on. This will be needed as "Press Releases" are going to be made through the numismatic press. I will also need to know if you need a slide projector, over head projector, movie projector, VCR, etc. I would expect between 25 and 50 people or more to attend your talk/slide show. I have spoken with some of the Chairmen for this Nov. convention and suggested a private souvenir card be issued for this convention. This offset card would be given free to everyone who attends the convention. I realize they are not of the quality of the BEP/ABNCo cards but since they are free and

never for sale by myself no harm is done. I will send you some of them for your personal use and inspection. The reason I bring this up is I would like to use a note (obsolete) from your collection on a St. Louis, MO. bank. I would want your permission to use your note on the free souvenir card and it would only be available at the convention. I would need a nice B & W reproduction of the note so I can reproduce it. Nancy & I feel this is a great promotional idea and our hope is it brings new collectors into our great hobby. I would reimburse you any cost for the reproduction. I just spoke with my wife Nancy and she said a Black white note would be best, using an off set quality press or a better copy machine. It should be done on a plain white sheet of Paper. It would be an honor to use a note from your collection for this "free souvenir." As I already stated they are only available at the convention though you would receive as many as you want for your personal use. Nancy & I have found out they are very well received in the hobby and the Souvenir Card Collecting Society officers like them very much.

As I already said, the SPMC, celebrating its 25th years, is extremely pleased to have you as its speaker, and we are all looking forward to your program. If we are honored to use a note from your collection, please let me know the cost of the reproduction and I will reimburse you immediately. Numismatically yours,

Dear Mr. Wilson:

In accordance with the request in your letter of March 5, 1986, I enclose herewith from my collection a photocopy of the 75¢ Aaron T. Crane Postmaster Note issued at the St. Louis Post Office in 1819. These are the earliest Post Office notes issued. The denomination is in French. The issue is known as Post Office Change. I think it will make a nice souvenir card.

I am sure you will print on the reverse the appropriate text to comply with the Hobby Protection Act. We would like perhaps fifty copies of the souvenir for our file.

If there are any questions, please contact me.

Dear Mr. Wilson:

Thank you for your letter of September 3, 1986. I think the title should be American Paper Money Counterfeit Detectors, since I do not plan to discuss coin detector matters. I will need a slide projector and that should not be a problem. Whether to exhibit in one or more cases is entirely up to you. It does not seem worthwhile to do so because the slides will speak for themselves. If you disagree, I will be more than glad to exhibit some of the collection. The other choice is to put some of the counterfeit detectors in an exhibit case in my museum where I am planning a paper money exhibit in any event.

Let me know you suggestions and I will be glad to comply.

Dear Mr Newman 9/7/87

On behalf of the PCDA/SPMC/IBNS I would love to invite you to be a speaker at the forthcoming 2nd Annual National + World Paper Money Convention in ST Louis, MO. at the Cervantes Convention Center, Oct 29 - Nov. 1, 1987.

Any program would be greatly appreciated. The reason for the lateness of this letter is I have been hospitalized the past 5 weeks and was unable to correspond with anyone. I also had to miss the Atlanta ANA and Nancy had to attend it herself. If you are able to be a speaker please let me know at your earliest convenience since a press release has to go out in two weeks. If you consent please let me know if you want to speak Fri or Sat.

I am also in need of another copy of a St. Louis, MO banknote.

TELTYP 11-08-84

for a souvenir card Nancy & I are donating for the convention. If you have a neat banknote from St Louis that doesn't have too much in embellishments on it we would once again be honored to have a note from the Newman collection portrayed on it. A Black & White glossy photo or even a good offset would be OK. I don't need the copy of the note as quick as the information if you would be our speaker.

Thank you for any consideration you can give this request. We remain,

First, let me congratulate you on your wife's election to the A.N.A. Board.

In your letter of August 5, 1989 you mentioned the $10 St. Louis demand note. I already have an example in my collection. There are others here who no doubt will be interested. You were very thoughtful to be willing to bid for me.

As to speaking at the joint convention on December 2, 1989, I am very appreciative of having been asked, but my plans are that I will be in Borneo at that time and you will not be able to hear me very well from there.

Keep up your endless enthusiasm and enjoy numismatics to the fullest.

Thank you for asking me for an exhibit for the November St. Louis Convention.

Since my museum is only two blocks away, I prefer that visitors come and see my exhibits there, as it is impractical for us to exhibit separately.

In the past, I have always had a special exhibit for the convention and I may do that if there is an event at the museum. If not, I may do it anyhow. Thank you for your enthusiasm and keep it up!

Thank you for your kindness in arranging for my bid on lot # 2901 at the Smythe June 16, 2000 auction. There will be two simultaneous auctions and this one will be in Ballroom B beginning at 6PM. It is near the end of the session.

I am hesitant to obtain a bidding number because I feel that if I want any item I will be outbid. Is it possible for you to bid in your name for me or in the name of someone else?

The estimate is $1,250 – 1,500 plus the 10%. Let's try $1,400.00 as a maximum.

I really appreciate your cooperation and this time I hope we will be successful.

Griffee was here for 2 days.* If you need help on research or need to see anything in my collection you may do as he did.

You are a devoted student of the BANK OF THE UNITED STATES. paper money issues. If you ever want to give a program or write more on the subject I want you to know I just acquired:

the First and Second Banks of the United States by John Holdsworth and Davis Dewey, issued by the National Monetary Commission in 1910 covering 311 pages.

I had never seen it before and it is full of fine detail.

Your determination to be elected ANA president was in The Numismatist as well and I wish you the best. It is a husband and wife team which is really running for office.

As far as writing a testimonial I feel I must abstain. In my 66 years of ANA membership I have never been political in any way. I never sponsored, backed or helped any candidate for any office because I felt my research and writing required total neutrality with respect to organizations I belonged to. Will you therefore forgive me for retaining these principles.

Thrive.

Mr. Eric Newman

Dear Eric:

I do want to thank you for your fax and the information regarding the Bank of the U. S. reference you have. We don't have it in our library. If you ever want to sell it please let us know.

We also want to thank you for your kind comments regarding Nancy and myself. We do understand why you refrain from nominating or endorsing a candidate for the ANA Board.

We were hoping to see you at the St. Louis paper money show. It proved to be a pretty good event with a lot going on.

We want to wish you a fantastic Thanksgiving and hope things are well with Eric Newman.

Yours in Numismatics and Friendship

John and Nancy Wilson
